Description

This is a sunny and warm home with custom touches that make it a truly spectacular living space. The inviting living room with fireplace and open kitchen entices you to keep involved with the activity of the family. Sliding doors from the office and kitchen each lead to a porch or deck to enjoy the sun or sunset. A separate entrance and staircase leads you to a finished room and ensuite bath for guests, a studio or music room. The two car garage is separate from your heated hangar.
